

CUSTOMER SATISFACTION NOTIFICATION L03 DOOR LATCHES

Dear: (Name)

At Chrysler Group LLC, you can be assured that we are changing the way we look at quality. To prove our commitment to quality, the company is investing in and prioritizing improvements for every vehicle that we build. As part of that commitment, we are also targeting existing vehicles on the road today and contacting our customers to provide these quality improvements, at no charge, that will help to improve your ownership satisfaction.

We are recommending the following improvements be performed on some **2011 model year Ram Trucks and 2010 and 2011 model year Jeep® Wrangler vehicles equipped with power door locks.**

Recommended Service: **The right front door latch, right rear door latch and/or swing gate latch on your vehicle (VIN: xxxxxxxxxxxxxxxxxxxx) may develop a ratcheting sound while using the power door locks.**

What your dealer will do: **Chrysler will service your vehicle free of charge (parts and labor).** To do this, your dealer will inspect the door and swing gate latches and replace them if necessary. The work will take up to 1.5 hours to complete. We recommend that you make an appointment with your dealer to minimize your inconvenience.

What you should do: Simply **contact your Chrysler, Jeep, or Dodge dealer,** at your convenience, to schedule a service appointment. Your dealer will collect the necessary information to ensure that the appropriate parts are available so your service can be completed in a timely manner. Although not required, we recommend bringing this letter with you to your dealer, when you bring your vehicle in for this service.

If you need help: Please contact the Chrysler Group Recall Assistance Center at 1-800-853-1403.
